C. who were injured in an automobile crash at Lloyd lane Tuesday afternoon, who were treated at the Alexandria Hospital, yesterday returned home having recovered from their injuries.

The funeral of Miss Clara Nalls, who died in Washington, took place at 9 o'clock this morning from St. Mary's Catholic Church. Services were conducted by Rev. L. F. Kelley and burial was in Bethel cemetery. Pallbearers were Rodger Clark, E. Gorman Ridgely, William Desmond, F. T. Quinn, John Schafe and E. R. Allen.

SCHOONER TURNS TURTLE.

Mexican Craft Founders at Night With Loss of 42 Lives.

San Diego, Calif., July 23.—The Mexican power schooner Jacris Conde, formerly the Japanese-owned Tano Maru, turned turtle and foundered recently at night off Matzatian, Mexico, with a loss of 42 lives, according to word brought here today by the motorship Jeannette R

Little Neck, N. Y., July 23.—A lightning bolt, which struck their home here during a storm yesterday, killed Jennie and Edward Stesluski, nine and two years old, respectively. The children were in the kitchen. Their mother, who was in another part of the house, was not injured.

ILLINOIS MINERS IDLE

Day Men on Strike for Higher Pay Close Big Works

Springfield, Ill., July 23 Half the coal mines in Illinois are idle today, and by Monday all will be idle with all union miners out on a strike, according to an announcement yesterday by President Frank Farrington, of the miners' state organization. The strike is on behalf of the "day" men, who want higher wages.

President Farrington said the men were beyond his control. The wage award of the Government last April was held to be unfair to "day" men, he said, and efforts of his men to keep the men at work were useless.

This trouble, Mr. Farrington said, was brought to a head by action of the Chicago conference this week, when operators refused to yield to the demands without the approval of Federal officials. The coal operators are now on the way to Washington to seek that approval.

Operators and miners in the Chicago conference reached a tacit agreement that, if a strike must come, this is the best time for it rather than in winter.

In the district around Belleville, 12,000 men were idle yesterday morning and 7000 more were added when the Harrisburg district quit.

FATAL RIOT IN ROME

Several Killed When Tramway Men Operate Cars Flying Red Flag

Rome, July 23.—Several persons were killed in the Vittorio Emanuele Square in the course of rioting Wednesday evening, when tramway men took cars from the depots and drove them through the centre of the city flying red flags. The Socialist Deputy, Bella Seta, was seriously injured when he left the Chamber of Deputies accompanied by several other Socialist members. The Deputy was attacked and roughly handled by a large crowd while proceeding to the office of the newspaper Avanti. Efforts of a soldier to protect him proved futile.

Crowds furiously attacked the cars decorated with flags and many arrest were made.

Attempts to attack the offices of Epoca, where the Avanti is being temporarily printed, were frustrated.

One officer was wounded and others were attacked in demonstrations by Belshevists at Turin seeking revenge for the smashing of machinery at the Avanti plant.

SPURNED LOVER'S CRIME

Married Man Shoots Girl and Ends Own Life

Wilmington, Del., July 23.—Infuriated because his attentions were spurned by Estella Stanczewski, 20 year-old Vincent Nowicki, a pulp mill worker, Wednesday shot her and then took his own life. The girl is expected to recover.

The shooting occurred at the girl's home, Nowicki, who has a wife and several children in Poland, had been paying her attentions for several weeks. A week ago she brought a charge of breach of the peace against him and he was placed under $300 bond in City Court to leave her alone.

According to the girl, Nowicki entered her home when she was alone ironing clothes in the kitchen. When she held him off at the point of a hot iron, he drew an army revolver and fired two shots. The first flew wild and the second struck her in the shoulder. As she fell the man fired a bullet into his brain, dying instantly. Nowicki's wife and children were to have joined him in this country in a few weeks.

THIRD PARTY IS BARRED.

Cannot Go on Misscuri Officals Ballot, Secretary of State Rules.

Jefferson City, Mo., July 23.—The Farmer-Labor ticket, on which Parley Christensen, of Utah, was nominated for President in Chicago last week, cannot go on the offical ballots in Missouiri at the November election, Secretar of State Sullivan rules.

AGREE TO ACCEPT SCHEDULE

Telegraphers Flatly Reject Wage Award Made by Labor Board

Chicago, July 23.—Seven railroad unions yesterday were reported to have definitely accepted the wage award announced Tuesday by the United States railroad labor wage board. The order of railway telegraphers positively refused to consider the award, according to information today and an order for a strike vote was said to have been issued. The order of railway conductors early today had not determined its attitude, but indications were a referendum would be taken. Similar action was said to have been ordered by other railroad crafts.

Trainmen, engineers, switchmen, shopmen, locomotive firemen and enginemen and mates and pilots were the organizations said to have accepted the award. Railroad labor executives were in an all night conference attempting to reach a common ground on the acceptability of the award. The conferences were to be continued today. Intimations early today were that all unions would be asked to take a referendum, making whatever recommendations desired.

Conference of executives followed refusual of the labor board to reopen hearings on certain points. Rail union chiefs today were confident sporadic strikes would not result from the board's announcement. An unauthorized strike of 200 employees of the Grand Trunk here last night was considered the result of local conditions and not reflecting the attitude of railroad labor.

News of Potomac

Miss Esther Ellis, of Mount Vernon avenue, is visiting friends in Keyser, W. Va.

Mrs. John McKericha, of Mount Vernon avenue, delightfully entertained at dinner yesterday Mr. and Mrs. Frank Benson, Mr. and Mrs. Herman Rayerman and little daughter.

Miss Mildred Soloman and little sister, Mary, of Washington visited Miss Ruth Smith yesterday.

Mr. Thomas Dixon, of Peyton avenue, left last night for a business trip to Pittsburgh, Pa., Cleveland, Ohio, Chicago and Kansas City. He also has a large wheat farm in Kansas and will took after the harvesting while away.

GIRL ENDS LIFE

"Little Mother" Plunges From Fourth Story Window as Father Approaches

New York, July 23.—Angelina Scire was only 11, but her spirit was proud, and rather than submit to a spanking she decided to end her life. So she jumped Wednesday night from a four-story window of her home, 136 Cherry street, and neighbors found her crumpled up in the rear yard. Only the fact that she landed on her feet saved her from instant death, the doctors said, and she died today in Gouverneur Hospital.

Angelina had cares enough for broader shoulders than her own. She had been a "mother" to the three younger children of Giuseppe and Nicolina Scire, while her parents were out all day earning a living for the family. Angelina did the cooking, marketing and housework, and took care of the youngsters. In her spare time she attended the Market Street School.

But with vacation she had a little time to play herself instead of only watching others at play. She played as earnestly as she worked, so yesterday she quarreled with Marie, who lives across the street, and scratched her face in a fight which followed.

Marie's father came over and told the little girl that when her father came home he would see that she was punished. Angelina worried all day and locked herself in her room part of the time.

But her sense of duty was stronger than her fears when her father came home, and she went down and prepared the evening meal. Later she went back to her room, but when she heard her father coming upstairs she feared the worst. Before she jumped she left this note:

"It was no use to get kill and I throw myself out the window, because I need I was killed tonight."

There are four other children in the Scire family, the oldest a youth of 19 Neighbors declared that the father was not a harsh man, but that Angelia was sensitive.

NEW ENTERPRISE TO EMPLOY 150

Blue Ridge Manufacturing Co., Now In Operation

MAKE WORK SHIRTS

To Turn Out From 1800 to 2000 Shirts Daily—Many Women Already at Work

The Blue Ridge Manufacturing Company, Inc., is the latest enterprise for Alexandria. This concern has purchased the big two-story factory building at the southeast corner of Columbus and Wilkes streets and is now engaged the manufacture of work shirts.

Already a large number of women are employed at this plant and later the company expects to have a total of 150 women in its employ.

The full capacity of the plant will be from 1800 to 2400 shirts a day. All modern machinery has been installed and provisions are made for every convenience for the help, including rest room and lunch room. The machinery installed is of the latest pattern and there is every modern safety device known in order to prevent accidents to employees. This concern formerly was engaged in the same business for a number of years in Nashville, Tenn.

The officers and directors include: A. B. Comer, president and general manager; J. C. Shacklett, John Bratton and D. H. Shepherd.

Test Fire Engines

Old Steamers Tried Out Last Night at Cameron Street Wharf.

The old Reliance steamer engine No. 5 was tested last night at the Cameron street wharf and at the conclusion of the test, lasting three quarters of an hour, it was announced that the engine was found to be ninety-three and two-fifth per cent efficient. Some time ago this apparatus was tested at the same place and on that occasion the engine was found to be only about eighty per cent efficient. The increased percentage in its efficiency is ascribed to an overhauling given the engine following the first test.

A test for the same length of time last evening also was given the old Columbia steamer now stationed in No. 1. engine house. This engine was found to be only about seventy-five per cent efficient, and Chief K. W. Ogden, under whose supervision the test were made, announced that he will make recommendaton that an overhauling be given the old Columbia engine.

INJURIES PROVE FATAL.

Police Hunting for Footpads Who Assulted Aged Man.

Winchester, Va., July 23.—Funeral services were held here Wednesday afternoon for John Thomas Lupton, sixty-three years old, member of a prominent Clarke county family, who died Sunday night in Louisville, Ky., from injuries caused by being murderously assaulted recently by two footpads dressed in United States uniforms. Mr. Lupton, who was a department store manager of the John F. Morton Company, Louisville, was engaged in a conversation by the two men the evening of June 7 in front of the company's establishment, and as they entered the building Lupton was pounced upon, beaten into insensibility and robbed of cash, a watch and jewelry, the bandits making their escape.

Lupton's death was caused by his liver being crushed, a post-mortem examination revealed. The men who assaulted him have never been apprehended.

CARD OF THANKS.

We desire to extend our sincere thanks for the expressions of sympathy and beautiful floral tributes upon the death and funeral of Miss Clara Nalls.

The Family.

WOMAN BEATEN

Faithless Lover Mutilates Southern Girl He Promised to Marry

Hillsboro, N. C., July 23.—Tied to a tree, beaten, chewed and mutilated until she became unconscious, Maggie Moize, 25-year-old white woman, was found later staggering along the road near here. She stated that Sam Lackey, also white, formerly of Rutherfordton was her assailant.

Lackey was arrested as he was making his escape a few miles from Hillsboro.

She stated that two weeks ago, she left her home in Statesville with Lackey under a promise of marriage. He later became infuriated with her and destroyed the license and they had since been living together as man and wife. According to the sheriff, Lackey has beaten and chewed her five times, twice tying her to a tree. After the beatings, he poured gun powder into the raw wounds.

She is horribly bruised and is in a Burlington hospital.

The man is held in the Hillsboro jail.

TERROR IN BELFAST.

Cries of Women and Children Mingle With Those of Drunken Looters

Belfast, July 23.—This city is again in the throes of a night of terror. Whole sections are in the hands of drunken looters and the crack of rifle fire is continuous, mingling weirdly with cries of women and children. Five men, one of them a monk, are reported killed in the renewed fighting.

Thirty men and women with gunshot wounds have been taken to hospitals. The number of those otherwise wounded in the rioting cannot yet be estimated.

Machine guns are rattling away murderously in all the nationalist quarters.

The streets are littered with thousands of dollars worth of property. All the lowest elements of the city, crazed by religious and political fury have joined the orgy of bloodshed and free-for-all thievery which followed a general invasion of the saloons and the distribution of casks of whisky that the looters consumed raw.

Even children fell intoxicated in the streets, frantic mothers having tried to still their cries by pouring the fiery fluid down the little throats.

RETURN AFTER 67 YEARS

Sister Recognizes Aged Brother Whom She Believed Was Dead

Uniontown, Pa., July 24.—Given up for dead, after he had disappeared 67 years ago, Benjamin Reed, aged 83, unexpectedly walked into the home of C. C. Hickle and greatly started his sister, Mrs. Carrie Vance, Mrs. Hickle's mother, who recognized him instantly. When Reed was a lad of 17 he started from his home in Smithfield to make his fortune in the West. Before he went far the civil war began and he enlisted. At the close of the war he started for a trip around the world, and it was then that his family received the first report of his death, it being reported that he had been drowned at Key West.

For 40 years nothing more was heard from him, until in 1900 a letter was received from him. Thenhe lapsed into silence and another report of his death came from the Far West several years ago Reed entered a soldiers' home in California, and when he could not conquer the longing to see his Fayette county friends again, he returned to his home here.

VILLA CAUGHT IN TRAP.

Government Troops Have Him Cut Off and will Not Parley, Officals Assert.

Mexico City, July 23.—Francisco Villa, the rebel leader, is trying to surrender, but the Government will not negotiate with him, according to an offical statement issued yesterday.

More than 8,000 men are opposing Villa in the State of Chihuahua, the statement says, and the Federal forces are occupying all his supply bases and surrounding him.

BRYAN WILL NOT ACCEPT.

Bozeman, Mont., July 23.—William J. Bryan announced on his arrial here last night that he would not accept the nomination of the Prohibition convention at Lincoln explaining that he could not in justice either to the Prohibition party or to himself accept the nomination.

NEAR EAST RELIEF

F. L. Hinkle, of Lorton, Va., Sails For Overseas

New York, July 23.—The desire for adventure that led F. Leslie Hinkle of Lorton, Va., to Russia before the United States entered the war, that caused him to sign up with the American Army afterwards and later to continue service with the Red Cross and the Polish Army, has sent him as a Near East Relief worker to the Caucasus. He sailed yesterday afternoon on the Italian Liner "Giuseppi Verdi."

When the Kolchak government evacuated Omak, Hinkle escaped with the Rear guard. His train was cut off by Bolshevists at two o'clock in the morning and he escaped only by a long horseback ride to the Polish lines. He returned to the United States last January.

Four other relief workers sailed to answer the appeal contained in recent cables from Near East Relief Officials overseas. They were John A. Foy, a veteran of the French and American Armies in the World War and the winner of the French and Belgian war crosses, the French medaille militaire, and a score of lesser decorations; George D. White, of Minneapolis Minn., and his wife and sister. The latter sailed to join White's parents, who are engaged in relief work in Marsovan, Asia Minor. Foy and Hinkle will be stationed at Tiflis, capital of the Georgian republic, where owing to the withdrawal from Near East Relief activities of army officers on Colonel Haskell's staff the need for workers is urgent.

UNDERGOING REPAIRS

Big Ship at V. S. Co's. Plant—Another to Come Wednesday

The big steel steamship Mameaugh built at the Groton yards is now undergoing repairs at the plant of the Virginia Shipbuilding Corporation for the United States Shipping Board.

On Wednesday the Worcester will be brought here for a general overhauling at this plant. The last named ship also will be sent here by the United States Shipping Board.

Gift For Children

Mrs. Hellwedge of Salvation Army Gets $25 For McCabe Little Ones

Mrs. J. D. Hellwege, of the Salvation Army, this city, says it certainly pays to advertise for she has just received a check from Mrs. Florence W. Wheeler, Mt. Philo Lodge, North Ferrisburg, Vermont, for the McCabe children who recently were temporarily turned over to the Salvation Army here until a permanent home could be secured for them. Mrs. Wheeler saw an account of the case in The Gazette and at once forwarded her check for the foregoing amount.

In writing her letter she in part says: "I am so glad to hear from you. You certainly are a good noble and wonderful organization of real practical workers. That is what I like about it. They don't talk they act. The good they do is incalculable."

After being temporarily looked after by the Salvation Army these children were placed in different Catholic Homes by the St. Vincent de Paul Society of this city.

COURT SIGNS DECREE.

Division of Bonds and Cash in Debt Case Practically the Same as That Indicated in the Report of Special Master

Richmond, July 23.—After more than a quarter of a century of litigation over the division of the debt growing out of the separation of Virginia and West Virginia, the final chapter in the cause celebre was written yesterday when judge R. Carter Scott signed the decree directing the distribution of the fund.

Before ordering the decree spread upon the records Judge Scott took occasion to congratulate the attorneys on the culmination of the famous case and the manner in which they conducted it. Counsel for Brown Brothers, bankers, remarked that his firm had devoted itself to bringing about an adjustment at least twenty-two years. The division of the bonds and cash by the court's decree is practically the same as indicated in the report and recommendations of Special Master Robert E. Scott, previously published.

HARDING'S SPEECH OF ACCEPTANCE

Delivers Attack on Present Democratic Administration

PROHIBITION ISSUE

Declares For Immediate Declaration of Peace, and New Effort to Form Association of All Nations

Marion, O., July 23.—Immediate declaration of peace and a new effort to form an association of all nations, based on justice rather than force was promised by Warren G. Harding in formally accepting the Republican presidential nomination here yesterday. Scoring the league of nations covenant as the "supreme blunder," he lauded the senators who opposed unqualified ratification as "sentinels on the towers of constitutional government." The nominee said he welcomed a referendum.

Harding opened his address with a broadside at "personal, dictatorial and autocractic government." He said "no man is big enough to run this great republic."

"Our first committal," he continued, "is the restoration of representative government under the constitution through the agency of the Republican party." The speech, delivered at Garfield Park here, dealt with a multitude of questions. Preserved nationality with America retaining her independence, although not holding aloof from the rest of the world, should be the guiding

(Continued on page two)

FALLS CHURCH GAINS.

Increases 321.9 Per Cent in Last Ten Years—Potomac Town up.

Falls Church, Va., has a total population of 4,759, the census bureau announces.

Its increase during the ten years from 1910 to 1920 was 321.9 per cent, or a growth in population of 3,681 persons.

Potomac Town, Va., in Arlington county, also showed an increase of nearly 100 per cent, its population in 1920 being 1,000 persons, as against 559 in 1910.

Arlington county, Va., which was formerly Alexandria county, has a total population of 16,040, an increase of 6,430 or 56.8 per cent in the decade between 1910 and 1920, the bureau announced. Falls Church is located partly in Arlington county and partly in Fairfax county, the largest portion of the population residing in Arlington county. Ten years ago the largest portion of the population of Falls Church lived in Fairfax county.

The total population of Arlington county by civil divisions follows: Arlington county, 1920, 16,040; 1910, 10,231. Arlington district, 1920, 8,547 1910, 5,850. Jefferson district, including Potomac town, 1920, 3,668; 1910, 2,672. Washington district, including part of Falls Church town in Arlington county, 1921, 3,825; 1910, 1,709.

The population of Portsmouth, Va., was announced as 54,387, an increase of 21,197, or 63.9 per cent.

W. L. KIMMELL DIES IN DEL RAY.

William Lambell Kimmell, seventy four years old, died suddenly early last night at the residence of his daughter, Mrs. Edward L. Brown, Del Ray. The deceased was a native of Washington, D. C. His funeral will take place tomorrow afternoon at 2 o'clock from his daughters residence. Service will be conducted by Rev. Tigar Carpenter of Grace Episcopal Church and burial will be in Congressional cemetery, Washington.

NOTICE.

The Virginia Theatre will start the new Francis Ford serial tonight. You can't afford to miss this, for it is the best yet produced by this great actor. Big western show tomorrow night—Harry Carey in "The Gun Fighting Gentleman." This a great picture—so be on hand early.

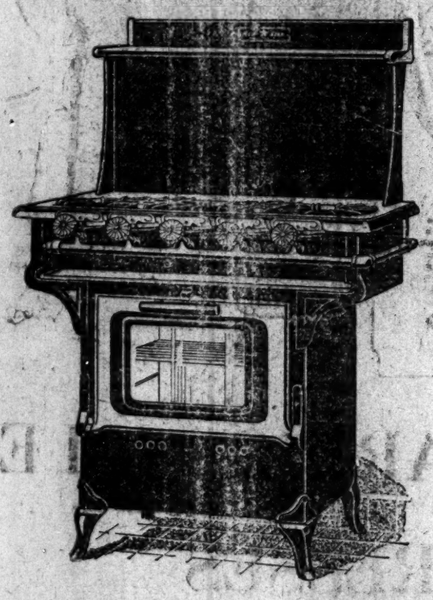
REMARKABLE COOKING

SECRETS

Made Public For The First Time

When the "Red Star" was put on the market the secret of efficient cooking with the cheapest kerosene was made public.

The perfection of the "Red Star" made possible for the first time the use of kerosene or other cheap oils without the aid of wicks or substitutes for wicks It made possible a complete vaporization of all heat units of oil and increased heating efficiency over 30 per cent.



The "Red Star" is really a gas range. It produces its own gas from any grade of liquid fuel. It increases heating efficiency over 30 per cent.

Competent, official judges and countless housewives have proclaimed it to be the most efficient and economical oil stove ever offered to American women

FAMOUS "DOUBLE-RING FLAME" BURNER

It is the patented eight and one-half pound burner that is responsible for the great achievement of the 'Red Star' oil range. This burner vaporizes all of the heat units of the fuel, leaving no trace of odor or smoke. It heats quickly. It can be heated to a fiery red heat or held to a low even flame for slow cooking It concentrates a double ring flame directly under the utensil.

RED STAR

Detroit Vapor Oil Stove
Beautiful, Efficient
Economical

Not only is the "Red Star" efficient and economical to operate, but it is a beautiful range. It is designed like a city gas range, a credit to any kitchen. It is raised on substantial legs, which permits sweeping under and around the stove, capable of a lifetime of faithful service. Ask for a demonstration.

HARDING'S SPEECH OF ACCEPANCE

(Continued from Page One)

policy, Harding declared. The candidate stressed the necessity of a return to party government and pledged himself to cooperate cordially with congress and to select a cabinet of "highest capacity," in which the vice president should sit.

As to prohibition there is 'divided opinion and the recourse to repeal or modification is open but "we cannot nullify because of 'divided opinion," he said, "and the law must be enforced. We might have a 'plain and neighborly' understanding with Mexico regarding American rights, but our relations should be "friendly and sympathetic," he said.

Touching on unrest, he said the remedy does not lie in repression and assembly must be preserved. High wages should continue, but with them full value for the wage received, he said. Collective bargaining was indorsed. Harding pledged a sincere effort to stamp out profiteering.

Reaffirming his opposition to government ownership of railroads, he declared the present transportaton difficulties are due partly to "the withering hand of government operation" and urged that the government do its part in repairing the damage. He indorsed the budget plan, a merchant marine, ample naval preparedness and a small army, abundant aid for ex-service men and woman suffrage.

As to formal peace, Harding said: "I promise you formal and effective peace so quickly as a Republican congress can pass its declaration for a Republican executive to sign.

Dreadnaughts to play Winston A. C.

On Sunday July 25, at 3 p. m. the Winston A. C. of Washington will be the Dreadnaught's opponents; this team claims to have defeated the D. A. C. early in the season, which is denied by this team, as they were booked by the manager to play the Dreadnaughts reserve which they did and were victorious by the score of 8 to 0, in the 5th inning. The Dreadnaught put in the game four men of the first team and neither side secured a run during the balance of the game.

The Winston have been anxious every since to play the Dreadnaught's, and manager McDonald got busy and has arranged a game on the above date.

Come out Sunday and see these two teams in action as the Winston say they can put it on the D. A. C. Since last Sundays game the Dreadnaughts have made several changes in their line up as several of their players have returned to the city who played at the beginning of the season and are members of the Dreadnaught A. C.

Every team who will come to Alexandria to play the D. A. C. in the future are first class organizations, such as Clarendons, Richmond's Gray's Knick's and several others who are anxious to play the boys.

The Torpedo Station Recreation League announces that they have a splendid series of baseball games in prospect on the home grounds, High school field, Saturday, 2.30 p. m.; July 24, 1920, R. P. Andrews Paper Co.; August 7th, Naval Hospital, Washington; August 14th, Peerless Athletic Club; August 21st Walter Reed Hospital, Washington.

The Cardinal's have games booked with two of the fastest teams in this section for Saturday and Sunday. Saturday they will play the strong Clarendon team at the Driving Park, south end of the Highway Bridge at 3 o'clock, On north Alfred street they will meet the Comanche A. C. which is positively one of the fastest teams in this section and you will see in Patterson their pitcher one of the best southpaws who ever worked in this town. Jones will pitch Saturday and Alexander will work Sunday.

Come out and look this boy over. He has been pitching wonderful ball for the Finance team in the Departmental League in Washington, has not lost a game and has a no-hit-no-run game to his credit. You need no introduction to Jones. as he has not lost a game for the Cardinals this season and is expected to knock Clarendon off Saturday. Schafer, that always dependable little catcher will work both games for the Cardinals. These two teams are tough enough for any team to meet in two days and if you come out and look them over you will not be disappointed, if you want to see a couple of good ball games. The Cardinals will have that old reliable first sacker back these games in the person of Doug. Merchant and he will strengthen this team up considerably in the infield.

Tomorrow afternoon the Destroyer A. C. baseball nine will clash with the Southern Railway team, of Washington, in what is expected to be a close and interesting game, as the Southern lads defeated the local boys a few weeks back, in a hard fought 10 inning battle. The game will start at 2 o'clock on the High School field. All the fans of Alexandria are invited out to the game to see the youngsters play, as they have been going at a fast clip the last few weeks and will be hard to beat tomorrow. Either Upton or Jones will be on the mound and Carnell or Lash will do the catching. Lon't fail to come out and see "Hamkshaw" play first base.

THE SHIPBUILDING PLANT.

The tenth huge steel steamship built by the Virginia Shipbuilding Corporation at this port is nearing completion, and within a short time it will be in its element receiving its final touches before being placed in the transatlantic service

During the past few months, while the last of the ten ships to be built here under the original contract has been nearing completion a number of men who had been employed during previous years have been furloughed, temporarily, it is supposed, to be re-employed when other contracts shall have been received.

On Wednesday the large steel steamship, the Mameaugh constructed at the Groton Iron Works, one of the plants operated in connection with that of the Virginia Shipbuilding Corporation, reached this city. This ship has been brought here for general repairs, and the work will require the services of a large force of men, and may be the earnest of what is to follow in this line. On Monday the Worcester will be bought here for repairs. This work is being done for the United States Shipping Board.

During the past few months it has at times been whispered that the construction of a dry dock is contemplated at Alexandria. Should it be built it is generally supposed that its site will be the reclaimed land adjoining the plant of the Virginia Shipbuilding Corporation on the north. This tract is now in litigation, the owners of the Alexandria Marine Railway and the government respectively claiming the reclaimed ground. When the legal ownership shall have been determined some believe the work of constructing a dry dock will follow.

A FARMER'S PANACEA.

A Maryland farmer publishes a communication in a Baltimore paper in which he inveighs against the free school system which, he believes, is the cause of many of our present woes. The writer says this is the second time he has taken his pen in hand for the purpose of addressing the people at large. On the first occasion he says his communication was printed in the "Virginia Sentinel," published by Motram Dulany Ball, in Alexandria. This paper suspended publication in the seventies of the last century. It was printed in old Liberty Hall, which was destroyed by fire in June, 1872. Ball was subsequently appointed to a government position at Sitka, Alaska.. He died many years ago

The farmer in his second communication, after an interval of over forty years, among other things says:

"The writer, who is a working farmer of 40 years on one farm, situated in the northern part of Charles county, Maryland, 20 miles south of the District of Columbia, wishes to state what is one of the causes of the shortage of farm labor and shortage of common labor for the cities. It is caused by too much free education. An educated man will not perform dirty physical labor for small pay. The public schools, high and low, are the cause of the trouble. I suggest the closing of all free educational institutions. Let parents who have children and wish to educate them pay for their education. Private schools would open and 25 years from now our population would be composed of one-half illiterate and the other half educated. The educated could and would do the thinking for the nation and the illiterates would perform the hard work, be happy and contented.

"Let our legislators and county commissioners cease making appropriations for free education. Then our tax rate would diminish and some of the burden the taxpayers are carrying would lessen. Taxes are so high in Charles county this year that it will take all my tobacco crop to pay my share. I am an old, gray-headed man and for years I have seen the finished product (eight grade) of our public schools go steadily up the roads to the city, never to return. The illiterates stay here and make efficient farm hands and laborers.

"There are three depopulated farms near where I live. One has two good dwelling houses on it and the other two have one each. Rank weeds and high grass grow in the yards and this only 20 miles from the nation's capital city. If the free schools are not closed soon there will be other abandoned farms near here. Commerical agriculture is nearly at an end."

Delicious Aid to Digestion

DISTRIBUTORS FOR ALEXANDRIA

"HELP WANTED—MALES."

The words at the head of this article are often seen over classified advertisements. Men, that is such as are willing to toil, are always in demand, but at this particular time such the scarce.

Diogenes, we are told, went into the agora at Athens at noon with a lighted lamp. When a would-be wag asked the philosopher if he was about to light the sun to bed, Diogenes replied, "I'm looking for a man." He would find such as scarce today as he did centuries before the Christian era, when he flouished.

The Baltimore Sun in referring to present conditions makes some practical observations. It says:

"There are still more jobs than men, apparently—that is, jobs that require real work. The farms want more men, but they want real men. The factories want more men, but they want real men. Pittsburgh manufacturers will absorb at once every one of the 12,000 employes laid off by the Pennsylvania Railroad in the East, if they are keen to get down to man-sized stunts with man-sized pay.

"There is no genuine industrial depression. There is a good deal of human depression when it comes to facing a sweat-making occupation. Nearly everybody is afraid of working too long or too hard. We have suddenly become too delicate to stand protracted hours or muscular strain.

"The best thing that could happen to thousands and thousands of young fellows who are lounging their lives away in ladylike employments in offices and shops wouldbe to pitch them out into the real labor ocean and teach them to do man's work in man's way. What the country needs more than anything else are real men to produce real things. The cities are filled with folks who are producing only unsound theories or bad practices, or by example are making two dudes grow where only one grew before, who are doing only the little and unessential things of life and doing them exceedingly ill.

"When Capt. John Smith was trying to start the colony of Virginia, he uttered the same cry of protest and the same cry for help the country is uttering now. "Send me no more softhanded, proud and useless gentlemen." he wrote back to England. "Send me diggers of the soil, black smiths, carpenters, mechanics." people who are not afraid of work. There is a paying job now for everyone that can and will do some useful thing.

JOIN A BUILDING ASSOCIATION OR PUT IT IN A SAVING ACCOUNT

(Communicated)

Now that everybody in the railroad service will get more money I would suggest that men and women will put some of it away for a "rainy day." This day is bound to come sooner or later, and it is vitally important that some of the extra money be deposited in a building association or bank for use at some future time. I have seen in the past twenty-five years of my life many pay days for railroad men without a pay master, or rather the paymaster existed, but they were with out funds. I wish I could take every man and woman so employed into a building association or saving bank the day the "ghost" walks and prevail upon them to save a portion of their earnings. I know a young couple that were married eight years ago. I advised them to go into a building association, and after several arguments and much persuasion I succeeded in getting them to join. The other day this young man walked into my place of business, thanked me for the suggestion of eight years ago, telling me his home will be paid for in eighteen month and that he has never been bothered with land lords, high rents or given notice to move. His home is in George Washington Park, and would sell for at least $7,000.

Railroad people start a "new account" and you will not regret it. Start now.

15 doz. Reis brand shirts and drawers, guaranteed to give good wear and satisfaction, special Saturday 75c

FEDERAL TAXES MUST BE PAID IN JULY

Hundreds of taxpayers have failed to pay their annual federal tax, payable during the month of July. The tax is known as "Special Tax" for doing business, and includes the following: Druggists, licensed to sell whisky; motor boat owners; owners of automobiles for hire; proprietors of theatres; commission merchants; tobacco warehouses; stock brokers; auctioneers, pawnbrokers, custom house brokers; wholesale and retail dealers in oleomargarine; proprietors of pool rooms, bowling alleys, billiard tables, shooting galleries; cigar, tobacco and cigarette manufacturers, and many others.

The tax is due on July 1st, but thirty days of grace are allowed before the penalties are automatically incurred. The minimum penalty is 25 per cent of the amount of tax. Thousands of forms have been mailed, but frequently the taxpayer fails to receive same, and unintentionally neglects to pay his tax in July. Failure to receive form is not regarded by the department as a reasonable excuse to be relieved of the penalty.

Checks or post office money order, in payment of the correct amount of tax, should be made payable to R. C. L. Moncure, Collector of Internal Revenue, Richmond, Va.

Forms and information may be secured direct from the Collector's Office, or from the Divisional Internal Revenue Office, located in nearly every city in the State. In Alexandria the office is located in Post Office Building.

MYSTERY IN SHOOTING

Man Who Claimed to be Senator's Cousin Found Dead in Hotel

Chicago, July 23.—Miss Ora Walters, of Memphis, Tenn., is in jail here while police investigate the mysterious death of Max C. Poindexter, oil company promoter, who was found shot in a hotel room early yesterday.

Miss Walters was 'the other woman' in Poindexter's life. He leaves a wife and six children at South Haven, Mich. He had claimed to be a cousin of Senator Miles Poindexter, of Washington.

The police were at first inclined to believe Poindexter had killed himself. Miss Walters told them that his love for her, sickness and his losses in oil amounting to $54,000, made up the burden which crushed him.

After questioning her, however, and finding that she and Poindexter had frequently quarreled and had an encounter before his death the authorities suspended a decision until they could make further investigations. The oil man's body was found in the room next to that occupied by Miss Walters and the door between them was unlocked.

M. W. GAINES

BAN ON POLITICS.

Civil Service Commission Serves Notice on Federation of Employes.

The Civil Service Commission intends to stand directly behind the civil service laws in enforcing the rule which prohibits government employes from taking active part in political campaigns, it was learned today.

The commission already has served notice on the National Federation of Federal Employes that no participation in political campaigns by federal workers will go unheeded, and that if such cases occur the commission will take due steps to enforce the law.

This action, combined with the warning address of President Martin A. Morrison of the commission last week, is construed as meaning that an intent lookout will be kept by the commission here on the acts of federal employes during the fall campaigns.

It is firmly believed that any attemps on the part of federal workers to combine for political purposes, or to elect their own representatives in Congress, will be open to the closest scrutiny from this city.

Owing to the success of the postal reclassification, the rural letter carrier jobs are being eagerly sought throughout the country, it is declared, and this will mean that many eyes will be on the job.

It is the belief of officials that any government employe who uses his position to "influence an election" will have several men who would like his job "on his neck" in no time at all.

When such a case is brought to the attention of the Civil Service Commission that body will have no choice in the matter but to act under the law.

Separation from the service is the penalty which the commission will deal out to offenders. It is generally believed that the autumn and winter will see many charges and counter-charges along this line.

DODSON KILLING USE OF CALOMEL

Says Drug is Mercury and Acts Like Dynamite on Your Liver

Dodson is making a hard fight against calomel in the South. Every druggist has noticed a great falling off in the sale of calomel. They all give the same reason, Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor an dambition.

SAYS FATHER KILLED 26

Daughter Declares Skeletons Are Buried Somewhere on Farm

Steele, N. D., July 23.—In a frenzy of hatred for her father, Mrs. Frances Sheldon, 17, yesterday reiterated charges that twenty-six skeletons will be found buried on his farm. The father, James G. Clayton, 60, and his son, Roy, went to trial here yesterday charged with assault against Mrs. Sheldon and her sister, Laura.

Mrs. Sheldon swore her father had killed Ed Lietzke, an insurance man.

Digging squads, led by court officials, visited the Clayton farm without result. The woman said she had been threatened with death if she divulged the hiding places of the body and those of twenty-five other persons whose sudden disappearance never was accounted for.

She said she would locate the bodies when the case against her father had been concluded.

GOMPERS DISSATISFIED

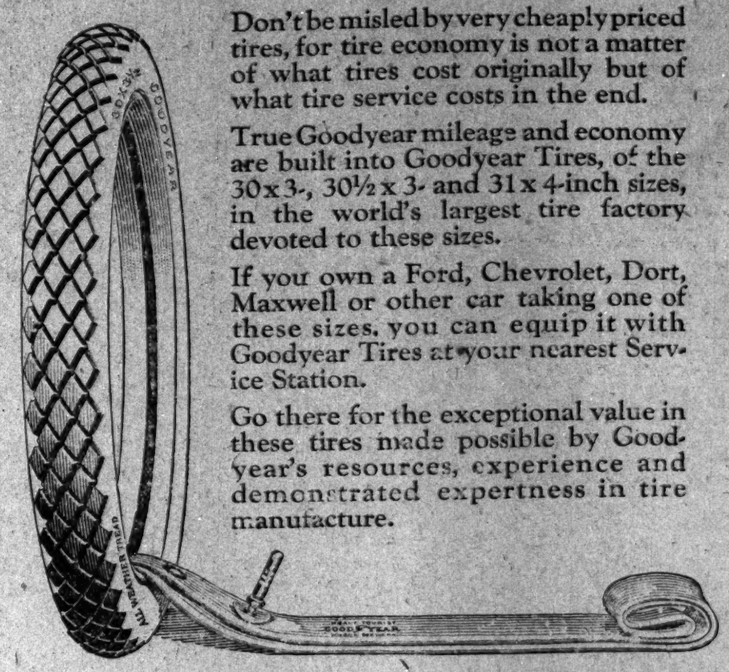
Washington, July 23.—The railroad workers of the country "are disappointed, and they have a right to be," with the $600,000,000 wage increase granted them by the Railway Labor Board. This is the opinion of Samuel Gompers, president of the American Federation of Labor, expressed in a statement issued last night.

Gompers pointed out that while it has been indicated that the railroad workers will not strike to enforce a "fairer consideration of their needs. It must not be forgotten that the men could have struck only at the risk of injuring their own cause."

HEAVY HAIL STORM.

Freeling, Va., July 23.—Residents from the section of Osborn's Gap, a deep notch inthe Cumberlands, report a terrific hail shower during the electric storm that passedover the mountain this week. The hail fall was described as being "shoe-mouth deep." Tender vegetation was greatly damaged by the falling hail.

Get Goodyear Value in Tires for Small Cars



Don't be misled by very cheaply priced tires, for tire economy is not a matter of what tires cost originally but of what tire service costs in the end.

True Goodyear mileage and economy are built into Goodyear Tires, of the 30x3-, 30½x3- and 31x4-inch sizes, in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking one of these sizes, you can equip it with Goodyear Tires at your nearest Service Station.

Go there for the exceptional value in these tires made possible by Goodyear's resources, experience and demonstrated expertness in tire manufacture.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30x3½ size *in waterproof bag* $4.50

MOVIES

INGOMAR—Last Chapter of "Lost City.

At the Ingomar Theatre tonight "The Exciting and interesting serial "The Lost City" will be shown. Vivian Martin in "His Official Fiancee" will be the extra attraction.

RICHMOND—"A Splendid Hazard."

The latest of Harold MacGrath's fascinating adventure stories to be screened is "A Splendid Hazard," the photoplay version of which was produced by Allan Dwan. It will be shown at the Richmond Theatre, beginning today. As in the case of the previous MacGrath novels transmitted to the screen, "A Splendid Hazard" has proved to be ideal photoplay material. It is a colorful tale of love and adventure, brimful of action and the romantic and picturesque isle of Corsica. The leading male role that of the ruthless, ambitious treasure-seeker, Karl Breitman, is enacted with rare skill byy Henry B. Walthall. Rosemary Theby brings grace, beauty and distinction to the character of Hedda Gobert, the beautiful prima donna whose love Breitman uses as a stepping stone to the acheievement of his ambition.

TRUSTEES SALE.

Of House and Lot in Del Ray

Under and by virtue of a deed of trust dated May 16th, 1908, and recorded in the clerk's office of the Circuit Court for Alexandria county in Deed Book No. 116, pag 534, and at the request of W. P. Wilson, administratar of Edward Wilson, payee of the note of $1,000, therein described and secured, default having been made in the payment of the interest on said note, the undersigned trustees in said deed of trust, will on Saturday, August 21, 1920, at noon, in front of the hereinafter described property, in the town of Potomac (formerly called Del Ray) in Alexandria county, Va., sell by way of public auction, to the highest bidder, for cash, the real estate described in said deed of trust, located in said town of Potomac, and consisting of two lots, numbered 467 and 468, in a certain plat of lots called Del Ray, as shown an a plat thereof recorded in said office in Deed Book No. "O"4, pp. 440 et seqs., together with the buildings thereon.

The residence thereon is a six room and kitchen building, with hot and cold water, and bath, and is located on the north side of Windsor Avenue, between Leslie and LaGrand Avenues, and will make a very desirable home.

This property was formerly owned by Jos. E. Sorrell, and was afterwards purchased by Frank L. Rose.

For further information apply to either of the following trustees.

Aylett B. Nicol, Alexandria.
Robert. A. Hutchison, Manassas, Va.,

CONVICTED OF BIGAMY.

Newport News Man Given Three Years in the Penitentiary.

Newport News, Va., July 23.—Confronted by two of his alleged total of seven wives, Louis Ross, alias Gross, was convicted by a jury in corporation court and sentenced to the penitentiary for a term of three years. The case was interesting from start to finish

A Day of Pleasure

Where is Old Blue Monday?

Do you know, there are thousands of homes where "Blue Monday" is now Bright Monday? And they are homes where the women do their own washing; other people's washing, too, for that matter.

How can wash day be a bright day? Mighty easy—by using the easy Clean Easy method of washing. In ten minutes, without scrubbing or rubbing and for only a few cents, an average week's washing is done! The only way in the world it can be done is by using Clean Easy Naptholeine Wash Soap according to directions printed on the wrapper.

Here they are in short: Soak the clothes overnight; cut up ½ bar of Clean Easy and dissolve it in 4½ gallons of water. Boil and stir the clothes in this for 10 minutes. Rinse, blue and dry.

You'll have the cleanest batch of clothes you ever saw. Every garment sterilized, too, and free from germs. It's a wonderful way to wash clothes—and the very best way, too.

Ask your grocer for a bar of Clean Easy—one bar lasts two weeks. Notice how different it looks from other soaps.

SOME WOMEN HESITATE

to have their slippers and shoes repaired, fearing the repairmen may not be able to restore the original shapely lines and graceful model. No fear like that in this repair shop, for we not only rebuild women's shoes but restore their shapeliness and style. We can double the life of your slippers or shoes without sacrificing the style.

Ideal Shoe Repairing Co.
1201 King Street

Three Great Bargains

11 rooms and bath on Pitt street, lot about 80x125; elevated position, plenty shade, wood work in perfect condition, needs papering and electric lights, at small expense can be made one of the most attractive homes in the city, or can, inexpensively, be converted into apartments, paying a very handsome return on the investment. The price is ridiculously low. Investigate this.

Six rooms and bath, brick, with corner store, a combination home and business proposition that can't be surpassed; in perfect condition, newly papered, electric lights etc. People who know, say this property would be cheap at $1,000 more than we are asking.

Nothing pays better than a good large rooming house, we have a handsome brick structure, containing about 30 rooms, large yard and plenty shade; has been paying about $150 per week net; could be converted into apartments at little expense; fully furnished and can be purchased at the very low price of $16,000. The prices on the above properties are low under any and all conditions.

AT LAST, RELIEF FROM RHEUMATISM

Now Is An Excellent Time to Get Rid of Its Tortures.

Rheumatism is more than a mere local disorder confined to the locality of the painful parts. It cannot be rubbed away, because it is a deepseated disease that has its source in the blood supply. The millions of little disease germs that cause the disease must be reached and eliminated from the blood before real relief can be had.

S. S. S. has been successfully used for Rheumatism for more than fifty years. It is the most thorough and reliable blood remedy because it searches out and eliminates the disease germs which infest the blood.

For free expert medical advice regarding your own case, write fully to Chief Medical Adviser, Swift Laboratory, Atlanta.

NOTICE

Time is growing short for a selection of a name in place of the Grand. We are going to select the name from the umerous suggestions on **Friday, July 28. Remember the date.**

The winner will be announced from the stage and presented with $25.00 in cash. Names will be accepted until the night of July 27th. Don't fail to hand in your suggestion with every ticket purchased. None will be accepted but those handed in at the time the ticket is bought. We expect the winner to be on hand Friday, July 28th to receive the money. The prize winner will be announced promptly at 9.30 o'clock.

The Management.

Good Light Lightens Labor : :

Lighting the kitchen is like lighting a factory. Good lighting quickens production, as the factory man would say. In other words, it makes work go faster without the expenditure of any more energy.

Of all places needing more light and better light the kitchen in most homes is one of the most important. And when you have doubled or trebled the light in your **work** rooms, try it also in your **living** rooms.

If you find that doubling or trebling the illumination there mean glaring light, **don't** cut down the amount of lighting again—**shade** the light better! Keep the direct rays from striking the eye. Throw some of the light to the ceiling and walls.

In every socket—in every room from cellar to garret—use only
EDISON MAZDA LAMPS

If you will do that, you will find that a great deal more light in the room is decorative, pleasing and restful. It's not the amount of LIGHT that you find irritating in some rooms, but the amount of GLARE.

OUR METER MEN REPORT THAT A NUMBER OF OUR CUSTOMERS ARE USING CARBON LAMPS. WHY NOT BE UP TO DATE? USE MAZDA LAMPS—BETTER LIGHT—LOWER BILLS.
